

FEATURED JOB

State Insurance Tower Birdcage

Layher Allround and accessories gave Scafit full flexibility to build this birdcage with additional safety features due to high pedestrian Traffic, including protection rolls to standards and full access to lifts and cafes (using 6m aluminium trusses over Mojo's Café). Heavy duty plastic stuck to platforms and ledgers contained dust and debris, avoiding any additional sugaring of coffees.

Thank you to David Crowley of Scafit for the use of this photo.
