## The Hurley Burleigh Pro

Burleigh Heads, Gold Coast

The boys from Key Scaffolding look over the world famous Burleigh Heads surf break towards the high rise buildings of Queensland's Gold Coast. This stage was for the Hurley Burleigh Pro Junior ASP Surf Competition held at Burleigh Beach. This was the second stage they'd built that day. After finishing a 6m high, 10m x 5m platform at Currumbin Beach earlier that morning they head in and knocked this one up before lunch. It's no wonder Key Scaffolding Contractors with their Layher stages are Surfing Queensland's stage builder of choice.
