

FEATURED JOB

X*Air '06

Vodafone X*Air has now been and gone, and once again Layher was able to help make this event a success. 120,000 people packed onto the Wellington waterfront enjoyed the sun and madness of Australasia's biggest youth event ever!

Layher had a greater presence this year, with Midland Scaffolding providing a bigger than ever lagoon jump, a bomb tower, stage for a bikini competition, and a viewing platform that The Edge radio station broadcast from throughout the day. The reports back from X*Air organisers were all positive, and they have requested Layher system scaffold as the event grows even bigger next year.

Be sure to keep an eye on C4 for the X*Air TV shows which will be on in mid March. Look out for Layher Allround showcasing its versatility!
